

New Faculty and Staff

Marc Anderson, assistant professor of management. He previously taught in the Waikato Management School at the University of Waikato in Hamilton, New Zealand. Marc earned his PhD in strategic management and organization from the University of Minnesota. His research interests concern the effects of personality and social networks on organizational behavior, organizational and managerial sensemaking, organizational learning, the role of metaphors in theory development and knowledge transfer, and citation practices and the social construction of organization science.

Will Bond, undergraduate academic adviser. He is a graduate student pursuing his MBA at Iowa State. He previously worked in financial planning for the Maytag Corporation and brand finance for the Whirlpool Corporation. Bond also teaches accounting part-time at Des Moines Area Community College and works as a resident manager for the ISU Department of Residence. Bond earned his BSBA in accounting at Central Missouri State University.

Ginka Borisova, assistant professor of finance. She earned her PhD in finance from the University of Oklahoma. Her research interests are in the field of privatization, corporate finance, and market microstructure.

Kayla Christensen, lecturer of accounting. She recently graduated from the Iowa State University masters

of accounting program. Upon graduation she worked as an internal auditor for SHAZAM, Inc.

in Des Moines, Iowa, and taught a financial management class for the Department of Hotel, Restaurant, and Institution Management at ISU.

Tim Folger ('06 MBA), lecturer of marketing.

Megan Clough-Groshek, career coordinator and graduate assistant in Business Career

Services. She graduated with a BA in communications from the University of Wisconsin-Milwaukee. She is currently working on her masters in higher education at Iowa State.

Ioannis Yianni Floros, assistant professor of finance. Ioannis earned his PhD in business administra-

tion at the University of Pittsburgh where he previously taught investment management, capital markets and efficiency of capital markets.

Zhengrui Jiang, assistant professor of management information systems. Jiang previously

taught at the College of Business, University of North Alabama. He earned his PhD in information systems from the University of Texas at Dallas. His research interests

include data quality issues in decision making, software economics, and software engineering.

Julie Lelonek, administrative specialist for the dean. She was previously administrative assistant

for the *International Journal of Physical Distribution and Logistics Management*, Iowa State University. Julie worked with Dr. Crum and Dr. Poist, co-editors of this international logistics journal. She earned her bachelor's degree from St. Ambrose University.

Deborah Martinez, administrative specialist for the directors of the PhD program and marketing

and alumni relations. Martinez was previously with the Iowa Sports Foundation where she was the health initiatives coordinator for the Lighten Up Iowa program. She earned her bachelor's degree from Loras College.

Won Gyun No, assistant professor of accounting. His research interests include investigating

areas of assurance on financial information exchanged over the Internet and the effect of privacy in e-commerce. He graduated from the University of Wisconsin at Madison with a MACC and received his PhD from the University of Waterloo.

Julie Palmer ('05 Liberal Studies), administrative specialist to the

associate dean of undergraduate programs. She was previously an administrative assistant coordinating client leases and contracting management with the Iowa Department of Human Services.

Julie Saxton, administrative assistant to the editors of *International Journal of Physical Distribution and Logistics Management*. Saxton previously worked at Consumer Credit in Des Moines as an account specialist. She earned her bachelor's degree in business from William Penn University.

Brittney Schmidt ('08 marketing), is currently the Watson Fellow and graduate assistant working with the college's development team. Schmidt previously worked as a development intern for the college. She is also currently pursuing her MBA.

Andreas Schwab, assistant professor of management. Schwab has a PhD from the University of Wisconsin and previously taught at Louisiana State University.

Jessica Van Winkle, undergraduate academic adviser. She is currently a graduate student at Iowa State pursuing her MBA with an emphasis in finance.

Doug Walker, assistant professor of marketing. His research focuses on the use of marketing databases to manage customer relationships. He earned his PhD in marketing from the University of Houston. ■
