

College of Business 2009 - 2011 Catalog General Education Approved List

General Education course may not be taken Pass/Not Pass (P/NP).

All orientation courses, independent study courses (usually numbered 290, 490) and cooperative courses are ineligible for use as General Education Courses. Other courses may be acceptable as Humanities, Social Sciences, or Natural Sciences. See your Academic Advisor for approval procedures.

Global/International Perspectives (Minimum credits: 6)

Students must choose at least one course from the International Perspective list to fulfill the University requirement; two courses taken from this list will fulfill both the Global and International Perspective requirement. Students intending to double major in INTERNATIONAL BUSINESS (IBUS) should take two International Perspectives from this list to meet minimum major credit requirements for the IBUS major.

The most current listing of approved International Perspective courses can be found at the following website:

<http://www.iastate.edu/~registrar/courses/div-ip-guide.html>

In addition to the approved International Perspective list, students may apply one of the following toward a global perspective requirement. The following courses will **not** fulfill the International Perspective requirement.
