**Business Major: (18 – 23 credits)**  
Required credits depend on the Major – To be taken at Iowa State University

**Special Notes:**

1. All new entering students are enrolled in a pre-business curriculum. To enter the Professional Program and declare a Business major, students must complete the following: All Foundation Courses and English through ENGL 150 (including any ENGL 101 requirements); completion of 30 credits; a minimum GPA of 2.5 in the foundation courses (using transfer grades) or in the cumulative Iowa State GPA.  
2. MAT 210 AND 216 (CALC I & II) will substitute for MATH 151 and 150, respectively. **Business Econ majors**: MATH 160 and ECON 207 are required in lieu of MATH 150 and 151.  
3. STAT 226 is required for Accounting, Finance, and Business Economics majors. MAT 156 & 161 (STAT 104 & STAT 2T**) have been approved as a substitution for STAT 226 for all other business majors. If both MAT 156 and MAT 161 are taken, they will substitute for STAT 226 for Accounting, Finance, and Business Economics majors.  
4. The University requires all students take one course in both U.S. Diversity (3 cr.) and International Perspectives (3 cr.) Courses in these two areas may be used to meet one other Gen Ed requirement. Approved courses which meet these requirements are available at the following web site: [http://www.registrar.iastate.edu/students/div-ip-guide](http://www.registrar.iastate.edu/students/div-ip-guide)  
5. The College of Business does not include 300-level courses transferred from two-year institutions in the 42 credits of 300+ level needed to graduate from Iowa State.  
6. The College of Business only allows a grade of Pass/Not Pass (P/NP) in non-business general electives.  
7. Iowa State will accept up to 16 semester (24 quarter) hours of credit earned in vocational-technical courses when the sending community college has accepted such courses toward granting an Associate of Arts or Associate of Science degree.  
8. No more than 65 semester credits earned at two-year Colleges can be applied to a bachelor's degree from Iowa State University.  
9. A student's last 32 semester credits must be completed at Iowa State University.  
10. Some general education requirements are waived for students completing an Associate of Arts (AA) degree. See “Articulation/Transfer Agreements”: [http://catalog.iastate.edu/](http://catalog.iastate.edu/). Iowa State University College of Business will accept Associate of Arts (AA) degrees to cover most general education courses. (This does not include the University requirements for 3 credits of International Perspectives and 3 credits of US Diversity credits.) Students will be required to take business communication, ethics/moral reasoning, a global perspectives course and possibly library instruction to complete the general education requirements. Students will not be admitted into the professional program for their major until they complete the foundation courses. AA degrees must be from an Iowa community college, include 60 prescribed (90 quarter) credits acceptable for transfer and student must achieve a 2.0 cumulative grade point average.  
12. For questions or clarification, contact the Iowa State College of Business, Undergraduate Programs at (515) 294-8300.

14. Non-native English speakers must take the English placement exam prior to their initial enrollment at ISU, and successfully complete all recommended ENGL 99/101 courses prior to entering the Professional Program in Business, regardless of transfer work for ENGL 150, 250, and/or 302.
