Conference Rooms
3164  George and Marcia Pike Schaller Seminar Room

Interaction Spaces

Restrooms
Elevators
Alarm Pull Stations
Severe Weather Location
Fire Extinguishers
AED (located near elevators on 1st and 2nd floors and the north lounge area on 3rd floor)
Evacuation Guidelines

- In case of fire or other emergency requiring evacuation, activate the nearest fire alarm pull station.
- Exit in a calm and orderly fashion. Once you have evacuated to a safe location, immediately call 911.
- Assist injured personnel, if time permits, and make sure all doors are closed and hazardous work operations are shut down as you exit the building.
- Help any physically impaired individuals in need of assistance.

Safety Guidelines

- Familiarize yourself with the location of exits, alarm pull stations, and fire extinguishers.
- Attempt to control a fire yourself with a fire extinguisher only when the fire is small and you have been trained.
- Keep fire doors closed to prevent the spread of smoke and fire.

Severe Weather

- In the event of a tornado, proceed to rooms 0115, 0119, 0129 or ground floor restrooms. Keep away from exterior doors and windows.
