**Special Notes:**

1. All new entering students are enrolled in a pre-business curriculum. To enter the Professional Program and declare a Business major, students must complete the following: All Foundation Courses and English through ENGL 150 (including any ENGL 101 requirements); completion of 30 credits; a minimum GPA of 2.5 in the foundation courses (using transfer grades) or in the cumulative Iowa State GPA.

If both MAT 156 and MAT 161 are taken, they will substitute for STAT 226 for Accounting, Finance, and Business Economics majors.
4. The University requires all students take one course in both U.S. Diversity (3 cr.) and International Perspectives (3 cr.) Courses in these two areas may be used to meet one other Gen Ed requirement. Approved courses which meet these requirements are available at the following website: [http://www.registrar.iastate.edu/students/div-ep-guide](http://www.registrar.iastate.edu/students/div-ep-guide)
5. The College of Business does not include 300-level courses transferred from two-year institutions in the 42 credits of 300+ level needed to graduate from Iowa State.
6. The College of Business only allows a grade of Pass/Not Pass (P/NP) in non-business general electives.
7. Iowa State will accept up to 16 semester (24 quarter) hours of credit earned in vocational-technical courses when the sending community college has accepted such courses toward granting an Associate of Arts or Associate of Science degree.

9. A student's last 32 semester credits must be completed at Iowa State University.
10. Some general education requirements are waived for students completing an Associate of Arts (AA) degree.
